Motiur’s wife Laki came to the locality after 14 days of Chagalka

Narsingdi- Raipura Upazila Parishad Chairman Laila Kaniz Laki, the first wife of former National Board of Revenue (NBR) member Matiur Rahman, who was discussed and criticized in Chagalka, came to the locality 14 days after the incident. Yesterday Thursday (June 27) around 12 noon, he came to the upazila parishad in a private car. Later he attended a preparatory meeting for the upcoming HSC and equivalent exams.

The meeting was presided over by the upazila executive officer. Iqbal Hasan. At this time, Upazila Assistant Commissioner Bhumi Shafiqul Islam and heads of various colleges were present.

Journalists were not allowed inside during the meeting. After the meeting, Lucky exchanged words with Awami League party leaders and UP chairmen at his office. After the meeting, when the journalists wanted to talk, he got into the car and left without saying a word.

It is known that Raipura upazila chairman Laila Kaniz Lucky was in hiding since Chagalka- went viral on social media. He was nowhere to be seen in his office or home or his park. He could not be reached even after calling, and no one could even tell him where he was. Laila Kaniz Laki did not go to office after Eid despite not taking any leave. He last held office two days before Eid-ul-Azha.

The service aspirants said that the chairman was harassed for not doing his office. They alleged that Laila Kaniz Lucky was absent till Wednesday after opening the office after the Eid holidays. At that time, many victims came to the upazila parishad and returned without finding him. They are deprived

of service.

Locals say that Laila Kaniz’s father Kafil Uddin Ahmed was a food officer. His daughter Laila Kaniz taught at the government Titumir College but her fortunes changed after she married a revenue official. His wealth has grown by leaps and bounds in the last 15 years. She built these assets on the illegal earnings of her husband, former revenue officer Matiur Rahman. He should not have so much wealth in teaching income or pension money.
