Yang Zi tops 2024 female star popularity ranking

Tencent’s latest 2024 female star popularity ranking has put Yang Zi in the lead, surpassing stars like Dilraba Dilmurat and Bai Lu.

The actress, who has starred in many hits including “Lost You Forever”, “The Oath of Love” and “Love Endures”, is known for her delicate acting skills and ability to portray roles very vividly.

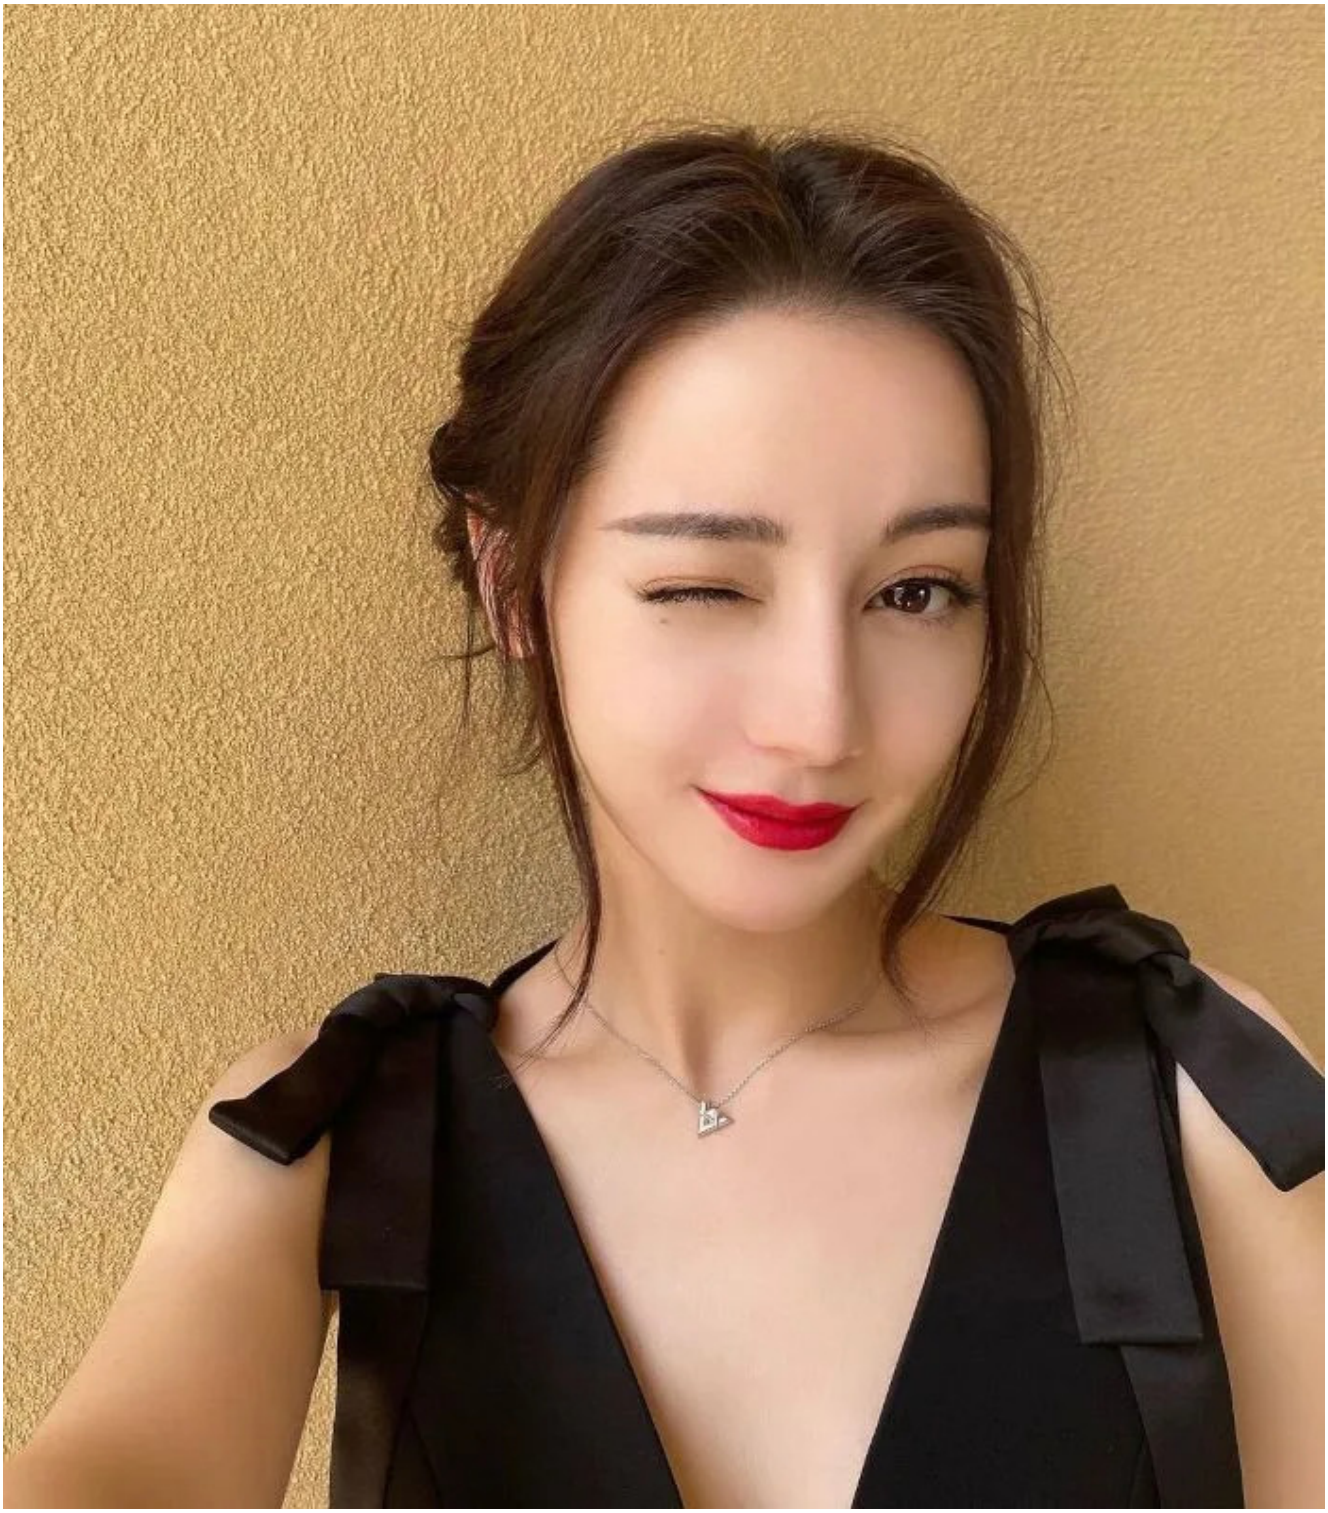

Meanwhile, fans are highly anticipating the airing of “Lost You Forever 2”, which is set to broadcast on 8 July.

Fans can’t wait for ‘Lost You Forever 2’

In second place is Bai Lu, who has two new dramas to be released this year, after three back-to-back dramas last year, including the hit “Till the End of the Moon”. Meanwhile in third place is Yu Shuxin aka Esther Yu, who starred in “My Journey to You” last year and attracted attention in “Sword and Fairy”.

Meanwhile, Dilraba fell to fourth place, despite still being in the list while most of her peers are no longer in top five. The fifth place went to Wang Ziwen, following the release of “Three-Body”, “For the First Time in my Life”, as well as “Never Too Late”.

Dilraba is still popular with fans
