Mymensingh Palli Vidut Samiti-3 is on continuous strike

Mymensingh- By introducing uniform service code, the differences between the Rural Electric Board and the Palli Vidut Samiti have been resolved and the employees have held a day-long strike (nine in the morning to five in the afternoon) demanding to make the Palli Vidut Samiti a modern electricity distribution institution by permanentizing the contractually appointed employees.

This morning, the officers and employees of Mymensingh Palli Vidut Samiti-3 campus observed these activities. Officials and employees including DGM (Technical) Ripon Kumar Dam and AGM Shahanur Rahman addressed the gathering.

In the morning, the aggrieved officers and employees held a march and rally in the campus of the association. Officials and employees including DGM (Technical) Ripon Kumar Dam and AGM Shahanur Rahman addressed the gathering. The aggrieved officers and employees held a march and rally in the campus of the association. The speakers said that the Rural Electrification Board has been torturing the 80 associations of the country for 47 years and the irregular employees should be stopped.

Officials of the association also said that despite the strike, the three associations of mymensingh Muktagacha, Valuka and Shambhuganj are providing uninterrupted electricity service to about fifteen lakh customers of the district. If their demands are not met, they will go on a tougher agitation.
