

Nikki Ahmed shows off her hot look

Be it saree or western or from a mini skirt to a crop top or jeans, Nikki has previously been seen on social media in various looks. But this time she has shown herself on social media in a completely different avatar. Model Nikki Ahmed has caught everyone's attention in a hot look wearing swimsuit.

Nikki often surprises with new theme photoshoots. Nikki Ahmed said about her new look, I have searched for the location, Blue Lake, such a location, such a shoot is not usually done in Bangladesh or no one wants to do it, but about fashion, I think that I can wear and carry, feel comfortable and will suit me and look tasteful, I think.

This time she has caught everyone's attention with a bold look. It is natural for a person to have some flaws. And Nikki showed that to everyone naturally. And that is why the actress has been showered with praise from fans and followers. Netizens have also shared, liked and commented on her pictures a lot. Nicki doesn't have time to catch her breath at the moment. It is known that she has a bunch of music videos in hand.
