

Kriti Sanon begins shooting for *Tere Ishk Mein* in Delhi

Kriti Sanon begins filming *Tere Ishq Mein* today, stepping into yet another intriguing character. With every film, she proves that she's not just an actor but a performer who thrives on challenging roles.

According to a source from the unit, "Filming started with Dhanush a few days back, and today, Kriti begins her shoot.." This marks the start of her journey as Mukti, a role that promises to showcase a new, intense side of her craft.

From the emotionally charged *Mimi* to transforming into a werewolf in *Bhediya*, from playing the AI-powered Sifra in *Teri Baaton Mein Uljha Jiya* to delivering a stunning double role in *Do Patti*, Kriti has consistently pushed the envelope. She's built a career on bold choices, never shying away from roles that demand depth, transformation, and intensity.

Now, with *Tere Ishk Mein*, she brings Mukti to life—another powerful character that adds to her ever-evolving filmography. The film, steeped in passion and emotions, is set to be an intense journey of love and self-discovery.

Fans are already loving her look in the film's announcement teaser, which received immense appreciation. As she starts to shoot from today, excitement is at its peak. Kriti Sanon is set to create magic once again, and the journey of Mukti has officially begun!
