

Distribution of Pure Water and Saline Among Examinees in Shibchar

Golam Mowla:: Joint General Secretary of the Central Committee of the Nationalist Farmers' Party, Haji Shakhawat Hossain Nannu Molla, distributed free pens, saline and pure water bottles among the ongoing Higher Secondary Certificate (HSC) examinees in Shibchar Upazila of Madaripur.

On Tuesday morning, July 1, this program was officially started in front of Dr. Nurul Amin University College Center.

After that, a total of 3,700 water bottles were distributed among the examinees at the Government Barhamgonj College Center and various schools in the upazila.

Haji Shakhawat Hossain Nannu Molla distributed cold water, saline and pens among the examinees.

In addition, saline and water bottles were also distributed among the guardians of the students waiting outside the hall. This exceptional initiative was appreciated by the examinees and their guardians.

Some students including Abubakar Mia of Government Barhamganj College said, we have received pens, food, saline and water bottles. This is really a commendable and exceptional initiative. At the same time, I express my gratitude to Shakhawat Hossain Nannu Molla brother for such a student-friendly program.

Joint General Secretary of the Central Committee of the Nationalist Farmers' Party Haji Shakhawat Hossain Nannu Molla said, "We have encouraged the examinees to boost their morale. We want to be by the side of the students. It is not just politics, but our social and moral responsibility to help students in times of need. I want everyone to come forward with such an initiative."

Such a humanitarian and education-friendly program has been appreciated locally. Students and guardians also expressed satisfaction with this initiative of Shakhawat Hossain Nannu Molla. Examinees and guardians hope that such student-friendly programs of Haji Shakhawat Hossain Nannu Molla will continue in the future.
