

BRICS Summit 2026 LIVE Updates: BRICS Leaders Gather In Delhi Today For Two-Day Summit

India will host the 18th BRICS Summit at Bharat Mandapam in New Delhi on Saturday and Sunday (September 12-13), bringing together leaders from BRICS member and partner countries, along with outreach invitees.

India's BRICS Chairship is guided by the theme: "Building for Resilience, Innovation, Cooperation and Sustainability", reflecting Prime Minister Narendra Modi's vision of a people-centric approach rooted in the spirit of "Humanity First," according to the statement released by the Ministry of External Affairs (MEA).

Beyond these areas, the leaders will discuss ways to strengthen intra-BRICS cooperation on shared priorities and exchange views on global and regional issues of mutual interest.

Under India's Chairship this year, more than 350 meetings and high-level engagements have been held in over 25 cities across India to further strengthen the BRICS strategic partnership across three fundamental pillars: political and security, economic and financial, and cultural and people-to-people exchanges.

Through these meetings and business-to-business and people-to-people initiatives, India's BRICS Chairship has advanced BRICS cooperation through practical, development-oriented outcomes.
